The Swine or the Flower?
 Ah me! I saw a huge and loathsome sty,
 Wherein a drove of wallowing swine
 were bared,
 Whose banquet shocked the nostril and the eye;
 Then spoke a voice, "Behold the source
 of lard!"
 I fled, and saw a field that seemed at first
 One glistening mass of roses pure and white,
 With dewy buds 'mid dark green foliage
 nursed;
 And, as I lingered o'er the lovely sight,
 The summer breeze, that cooled that
 Southern scene,
 Whispered, "Behold the source of
 COTTOLINE!"

Consumption Can Be Cured.

For years physicians have tried to cure consumption and lung disease through the stomach, and have failed. It fell to Dr. Emmerson, the famous specialist, to discover a remedy for these dread diseases. He has found a healing liniment and perfected a unique instrument for the application of same direct to the throat and lungs. If you have a sore or irritation you naturally use a liniment to heal same. Dr. Emmerson's throat and lung liniment works on the same principle; the liniment is taken into the lungs in the form of a gas which is generated in the instrument from the liniment; this reaches the irritated or diseased parts, starting a healing condition at once.

Do not be alarmed or worried because your physician says you have consumption or lung disease in any form; you can be cured.

ABSOLUTELY FREE

To demonstrate the "curing power" of this remedy we are giving free treatments, at our Dispensary. This discovery will startle the world. We will arrange with people at a distance to give them a free trial of Dr. Emmerson's Throat and Lung Healer.

Whatever your position in life may be, if you are in consumption, or suffer from asthma, bronchitis, catarrh or any throat or lung trouble, this cure is within your reach for it is a home treatment and need not interfere in any way with your daily occupation. Prove for yourself its healing power. Don't hesitate or delay, write today for the FREE TRIAL OFFER; cure your self before it is too late. Address Dr. Emmerson, Sales Bldg., Indianapolis, Ind.
